Note: The DJ will make every effort to obtain the "Must Have" songs, and in most cases will be successful, but in no way guarantees that these songs will be available at the time of the event. Also, the DJ will use his/her discretion as to the "playability" of songs on the "Must Have" list if listed songs contain inappropriate lyrics or vulgar language and "clean" versions of the songs cannot be obtained. **The DJ maintains the right to refuse any request made before or during the event for any reason**, up to, and including; the request being unavailable, the request contains vulgar or offensive lyrics, the request being listed on the "Genre to Avoid" list, or the request is simply outside the "successful event" genre.
